This document is valid identification to be used for travel within the boundaries of the Galactic Republic and must be presented to any official representative of the Republic requiring its use as such.

This passport does not entitle its owner to any rights or privileges other than those indicated and notarized by an official signature or stamp. This document must be surrendered upon the demand of a representative of the Galactic Republic. It is unlawful for any individual other than the named bearer to use this passport. Possession of more than one valid Galactic Republic passport is a violation of the law.

NOTICE: Validation seals will be issued for placement on pages herein at designated spaceports, checkpoints, and other designated locations. Validation seals must be placed in the proper location to be considered valid.

Credentials and identification of membership or alliance with official, Republic-sponsored or recognized guilds, governing bodies, or other such entities are to be affixed upon this page. Forged, counterfeit, or otherwise misrepresentative credentials are strictly prohibited—violation will result in prosecution to the fullest extent of Republic law.
